GardeniaManarri: What did you do, then?

~riggedbiscuit: made some breakfast, went to the beach, played some
antler command online
~riggedbiscuit: oh i slept like 14 hrs, that was fun
GardeniaManarri: What?! How does that even work
~riggedbiscuit: work too much and fret over yr future, then take
some dioxie and tunk out
~riggedbiscuit: works every time rofl
GardeniaManarri: Ha ha, I'll... keep that information close at paw.
~riggedbiscuit: aye
~riggedbiscuit: r u ready for tomorrow?
GardeniaManarri: I * think * so. I practiced for like 3 or 4 hours
straight. Then had dinner and practiced even more ha ha
~riggedbiscuit: i really want to see u
~riggedbiscuit: it would be so cool to see u onstage like that
** *GardeniaManarri blushes*
~riggedbiscuit: srsly tho :3

~riggedbiscuit : "sutton, that button will turn u to mutton" haha

~riggedbiscuit : woahhhh whered they get that outfit for Coral :3 she looks gorgeous

*** ~riggedbiscuit fans herself*

GardeniaManarri : If I had to guess... it was stolen from an employee at RipRiver Games, ha ha

~riggedbiscuit : youre like a right aco fan

GardeniaManarri : I have to thank you for introducing me to the game

~riggedbiscuit : i like that you like it :3

GardeniaManarri : Also the soundtrack is really, really good

~riggedbiscuit : do u wanna do a run rn?

GardeniaManarri : I really shouldn't. It's getting late

GardeniaManarri : Maybe Forest would be willing. He stays up super late since school's out

~riggedbiscuit : nah actually youre right, i almost forgot i actually have work tomorrow rofl

~riggedbiscuit : i always work fridays.....

*** ~riggedbiscuit sighs*

GardeniaManarri : I had a really weird dream last night

GardeniaManarri : I could hear Forest screaming

~riggedbiscuit: oof that sounds scary
GardeniaManarri: It really was
~riggedbiscuit: yikes
** ~riggedbiscuit hugs GardeniaManarri
** GardeniaManarri hugs ~riggedbiscuit
~riggedbiscuit: we'll do the real hugs tomorrow
GardeniaManarri: Yeah, ha ha.
~riggedbiscuit: i guess i had a weird dream too
~riggedbiscuit: something about an electric shark deer?
GardeniaManarri: WTF?
~riggedbiscuit: idk, dioxie dreams
~riggedbiscuit: some trippy version of aco with sharks or somethin
rofl
GardeniaManarri: How much did you have?
~riggedbiscuit: not that much.....
GardeniaManarri: Well, at least the stuff isn't known to kill animals
~riggedbiscuit: aye
GardeniaManarri: When does Carmen's close?
~riggedbiscuit: saturdays, 10pm, but i'll be outta there before then
GardeniaManarri: Have you ever done the night shift?
~riggedbiscuit: naw im a morning skunk rofl
GardeniaManarri: How ironic
~riggedbiscuit: actually i think i might be able to catch the last of
your performance
~riggedbiscuit: like the very very end
GardeniaManarri: Wish you could be there, but actually the timing
works out pretty well. After the show I can give my violin to my parents and then
we'll meet up at the plaza
~riggedbiscuit: aye that works
~riggedbiscuit: wait!! before u go to bed
~riggedbiscuit: did u meet up with that malkus boy :3
GardeniaManarri: Oh, Malkus, yeah. He was... interesting.
~riggedbiscuit: ???

GardeniaManarri: He's super into Mephitidae stuff. More than I am

~riggedbiscuit: yr the most mephit i kno

GardeniaManarri: It was too much to handle. He had some pretty extreme views, in my opinion

~riggedbiscuit: oh?

GardeniaManarri: He liked that Dalebius plays a major role in my life, that's the main thing we had in common, according to the Stripes & Spots app... But it did feel like he was standing on a soapbox the whole time

GardeniaManarri: Right smart, which ordinarily I really admire, but I think he seeks to rock boats on purpose, or doesn't care about * me * in particular as much as he cares about "the livelihood of skunkdom" in general

~riggedbiscuit: odd

~riggedbiscuit: whered u go?

GardeniaManarri: The Boardwalk

~riggedbiscuit: choice

GardeniaManarri: It was funny watching him get all wound up about Dalebius while walking down the Boardwalk carrying a plate of fried calamari, and fox pops with cotton candy in the background, ha ha

~riggedbiscuit: he seems really weird

GardeniaManarri: I hope he got the message I was trying to send him: definitely do NOT want to be his mate, but I might be willing to engage in some theological discussions with him. Big maybe.

~riggedbiscuit: does he at least play antler command???

GardeniaManarri: No, I don't think he plays any video games, ha

~riggedbiscuit: sucks to be him

GardeniaManarri: Agreed

GardeniaManarri: OK B I have to sign off

~riggedbiscuit: cya tomorrow G!

GardeniaManarri: RilanaHoss, B

~riggedbiscuit: goodnite

** *GardeniaManarri tunk*
